Throwing himself into the wilderness of single parenting, Russ embarks on a journey at once terrifying and rewarding -- one that will test his abilities and his emotional resources beyond anything he's ever imagined. When a chance encounter with an old flame tempts him to take a chance on love again, he will navigate this new opportunity with trepidation and wonder. But with the loyal support of his parents, the wisdom of his older sister, Marge, and in the hard-won lessons of fatherhood, Russ will finally come to understand the true nature of unconditional love -- that it is a treasure to be bestowed, not earned.
